

## What they're saying...

"Thank you once again for your excellent prelude act at our 2014 Symphony in the Park, Celebrate America performance! Everyone was really impressed with the broad range of music you played and your energy and enthusiasm were exactly what we wanted for our event. Thanks ever so much for everything!"

*(Mindi Stoner, Town of Cornelius)*

"Another successful Breckenridge Fall Festival! Thanks to Dukes & Smith for being there these past seven years - and we can always rely on them to play a wide variety of music that gets the crowd to sing along! You're the best!"

*(Deborah Thompson, Breckenridge HOA)*

"The Birkdale HOA has hired Dukes & Smith for many years to provide great music that the whole family will enjoy! Their musical talents cross many genres. They are prompt, courteous and ready to play! Dukes & Smith will make any event the place to be!"

*(Ashley Rammacher - Birkdale HOA)*

"Out of all the bands we have had come through The Wine Dive, Dukes & Smith has got to be my favorite. They really know how to play to our crowd, and always try to get everyone involved in their show. Each time they have played for us we have had great responses from our customers, and they all plan to come back to see them again! Even when someone requests a rather unusual song, they always do their best to accommodate the very best they can, and it's always entertaining! We can't wait to have Dukes and Smith back at The Wine Dive!"

*(Kat Chitow - The Wine Dive)*

"We had a great time at our events thanks to Dukes and Smith! We have had them perform for our neighborhood functions and they are always a big hit with everyone! They perform a wide variety of music genres with humor and style. Tailoring their performance to fit the audience, the dance floor is full and the crowd is filled with happy faces. Affordable, talented and so easy to work with, we look forward to having Dukes and Smith for our social events again this year!"

*(Julie Fann, The Reserve at Gold Hill HOA)*

“Buddy and Todd have played for parties at Charlotte Swim and Racquet Club for the past two summers. Their music is upbeat and fun. They are true professionals. They show up when they say they are going to and stay later than their contract allows!! If you have special requests, they do their best to accommodate. Last summer, we had a "blue" party and they showed up as the Blues Brothers. (Thanks Buddy for that great idea!!) I love how they get the crowd going. They are superb at getting people up and dancing! I can't wait to get them on the calendar for this summer!! Thanks for all your hard work guys!!!”
